We begin this message with the greatest inspiration from Arpi & Chris's elopement at Omana.

For those who dream of a wedding that feels unique and exclusive, Waiheke Island is your enchanting escape. Think of a refined celebration, surrounded by nature's beauty and the loved ones who matter most.

With four luxury villas, our 5-star boutique hotel provides a private sanctuary for up to eight guests—perfect for an **intimate bridal party** and **destination wedding** shared with close family and friends.

Exchange vows with the ocean as your backdrop, toast to new beginnings with world-class wines, and let every moment bloom into an unforgettable experience.
