

Dear Andrea

I hope you're well.

I wanted to make sure you've been receiving our messages, as we're working on improvements for our email provider.

As we've been welcoming discerning travellers to Omana for over three years now, I'd love to personally share what makes our 5-star boutique hotel a unique destination for couples and individuals.

A private escape in the heart of Waiheke Island

Only a 40-minute ferry ride or 10-minute helicopter from Auckland, Waiheke Island is a Pacific gem for those seeking the wonders of nature and a vibrant cultural life.

Omana offers the best of both worlds—an exclusive, tranquil setting while being just moments from Waiheke's finest wineries, beaches, and restaurants. With our four luxury villas, we provide an intimate experience where privacy, relaxation, and nature come together.

Designed for a distinguished clientele

Omana is not just a place to stay—it's a beacon of sustainable luxury. Awarded Gold in sustainability by Qualmark, our eco-luxury retreat has been the chosen destination of Hollywood and world stars in search of privacy and bespoke experiences amidst nature.

Our features and exclusive services include:

- ✓ A hilltop haven with uninterrupted ocean and forest views
- ✓ Access to a private beach via a 10-minute trail walk or 5-minute drive
- ✓ Dine-in delights, from a gourmet breakfast (included in the rate) to an

exclusive 3-course meal

- ✓ Private driver service for seamless island exploration
- ✓ Helicopter transfers from Auckland
- ✓ Airport transfers from Auckland
- ✓ Luxury vehicle rental
- ✓ Wellness retreats with yoga and mindfulness sessions and couples massage

Let's stay in touch

Whether for a honeymoon, a private getaway, or a restorative retreat, we'd love to help you craft unforgettable stays.

Let's connect—I'd be happy to arrange a call.

Warm regards,
